## POWELL FORD.

Old Salt River was the highest last Sunday it has been for a year. Master Robert Dillard, of Beaver Dam, was the guest of relatives last week in this vicinity. This neighborhood is saddened to hear of the death of Mrs. Doc Woods. To know her was to love her; and all wish to extend sympathy to the bereaved family. Mr. and Mrs. George Lewis of Mexico have moved to their farm for the summer.

James Powell lost another valuable mare last Sunday night—dark iron gray draft mare—which he valued very highly. It was a great loss and we sympathize with him. Dan Dillard is expecting 100 goats this week, shipped from Chicago. Strawberry crop is very short in this locality.

Misses Willie Lewis and Pauline Powell spent a few days in Columbia last week. No services at Sun Rise Sunday on account of high water. J. T. Johnson is in McAlester, Okla., on business. Wm. Machin, late of Farber, has moved to Capitol Hill, Okla. Mr. and Mrs. E. D. Graham have returned from a short visit in Lexington.

Mrs. S. J. Ridgeway died at Auxvasse last Sunday. Burial at Grand Prairie. Earl Robinson, 37 years of age, born and reared in this city, died in Kansas City a few days ago.

R. R. Buckner and daughter, Mrs. Biggs, returned last week from a visit at Hot Springs. Judge D. A. Murphy, Joseph Smith and Patrick Reynolds are representing Mexico Lodge of the Knights of Columbus at the State meeting in St. Louis this week.

**J. H. WILKINS**  
eight miles southwest of Mexico, 3-4 mile south and 1-4 of Beaver Dam school house offers the service of the Great Young Saddle Stallion

**Ireland King**  
3737 A. S. H. R. sired by Chestnut King 2nd 2379, son of Squirrel King 973 and out of Lady Berger 3265, by Brown Bon Ton 726. Dam, Maude Roddy 1852, (1-2 sister of Ike) by Mambrino Le Grand Jr., 1193; second dam, Flora, by Little Billie Denmark. Third dam, daughter of Rock-away 1900. Squirrel King 973 was the greatest son of the famous Black Squirrel 58 and was one of the greatest show horses and show-horse sire in the world. Mambrino Le Grand Jr., 1193 was the sire of the great horse Ike, while Ireland King's 3rd and 4th dams are of the firm foundation stock that has made the Mo. saddle horse so great.

**Ireland King** is a handsome individual, solid bay in color with style, substance and action equal to that of his grand sires, and they were the sensational show horses of the world. Ireland King is good enough to breed the best registered saddle mare in Mo. to and the true saying goes: "Likeness Begets Likeness" then bring your best mares and raise a colt that will do to compete with the world. Season \$15 to insure a living colt.

Also the good mule siring jack, **Major Elephant 50559**, sired by Black Elephant, he by old imported
